Kyle Gray enters his 10th season as the head men’s basketball coach at Edmonds College in 2022. Gray has almost 20 years of basketball coaching experience and has coached at all levels from youth teams to high school. Coach Gray has also been an elementary physical education teacher for the past 12 years and understands how to teach the game to boys and girls of all skill levels. Additionally, current men’s basketball players will help run this camp and mentor your child throughout the week. This is a great opportunity for your child to learn from quality players and coaches. The camp will cover all levels of play – from kids just starting out, to kids getting ready for middle school and high school teams. Girls and Boys are welcome! No matter what level you are at, the Triton staff will make sure that every camper gains something in the week they spend with us in the Seaview Gymnasium. We consider ourselves a community basketball program and this camp is a large part of that effort.
