Kitchen Helpers!

The best way to teach your child about healthy eating is to cook and eat together!

Bring your small child into the kitchen with you. Remember: safety first! Keep young children away from hot stoves, sharp knives and electric appliances.

Children who help choose, wash and cook new foods are more likely to try them. Don't forget to praise your child often and tell him how proud you are of his hard work! Have fun!!!

Let Your Child Help You:

Wash fruits and vegetables!

Tear lettuce into small pieces for a salad!

Mash potatoes, squash, or root vegetables!

Peel fruits and hard boiled eggs!

Stir batter in a bowl!
