Harvest of the Month:

CARROTS!

Did You Know...

Carrots can be orange, red, yellow, or purple!

Carrots are an excellent source of Vitamin A which helps with eye sight, and Vitamin C which creates a strong immune system to help fight off sicknesses.

When purchasing carrots, look for some that are firm to the touch and then store them in the

Carrots are root vegetables that are grown in the ground with a green bushy top.

Carrots can be steamed, roasted, or eaten raw! Let your child help you select carrots from the store and prepare them with you.

"WGR" means "Whole Grain Rich" and specifies that the item contains at least 50% whole grains.

No peanut, nuts, or pork products are used in the preparation of any menu item.

Infants 0-11 months old are offered breast milk or formula.

Children 12-23 months old are offered whole milk and everyone over 24 months is offered 1% milk with lunch and breakfast.
