Dear Ms. O'Donnell:

After careful review of the Edmonds Community College Hospitality and Tourism programs, it appears that courses offered within your curriculum are parallel to those offered at Johnson & Wales University. Please be aware that the same course from Edmonds Community College may be accepted in transfer for a different course within different majors at Johnson & Wales. This agreement is based on Johnson & Wales' 2007-2008 catalog.

Listed below are courses from your institution which will be accepted as transfer credits. It is recommended that students select courses listed below when developing their schedule. Transfer credit can only be earned in the following manner:

- Students must earn a minimum grade of "C."
- Students must select a major to insure the proper awarding of transfer credit.
- Johnson & Wales will evaluate course-by-course to reflect students' curriculum.
- Course credit hours must equate to the course credit hours assigned to Johnson & Wales courses.

Johnson & Wales University course catalogs will be available which outline current curricula and course offerings. Students should always discuss their individual study plans soon after their arrival at Johnson & Wales University. Other general studies courses not listed will be evaluated on a course-by-course basis.

Students may visit our website at [www.jwu.edu/sas/catalog](http://www.jwu.edu/sas/catalog) to review the Johnson & Wales catalogs. Please refer to the catalogs for specific majors offered at various campuses.

We look forward to a positive relationship and to serving your students in the continuation of their education. If any of your students have any questions, please direct them to an admissions representative at 1-800-342-5598, ext. 2310.
