Kyle Gray enters his third season as the head men's basketball coach at Edmonds Community College. During his first two years the Tritons have a record of 45-16 with 2nd and 6th place finishes at the NWAACC tournament. Coach Gray has over a decade of college coaching experience and has coached at all levels from youth teams to the high school. Coach Gray is also an elementary physical education teacher at Viewlands Elementary school in Seattle so he knows how to coach the game to boys and girls of all ages and ability. Coach Gray brings with him a coaching staff with a wealth of experience for the game of basketball. Not only is the coaching staff great but current Edmonds Community College players will help run the camp and mentor your child throughout the week. This is a great opportunity for your child to learn from some of the best players and coaches. This camp will cover all levels of play from kids just starting out to kids that are getting ready for the high school season. Both boys and girls are welcome. No matter what level you are the Triton Staff will make sure that every camper gain something in the week they spend with us at Edmonds. Our goal is to make our program a community program and this camp will be a great example of that.
