Kyle Gray enters his 6th season as the head men's basketball coach at Edmonds Community College. Coach Gray has over a decade of college coaching experience and has coached at all levels, from youth teams to high school. Coach Gray has been the physical education teacher at Viewlands Elementary school in Seattle for over 6 years and knows how to coach the game to boys and girls of all ages and ability. Coach Gray brings with him a coaching staff that has a wealth of experience in the game of basketball. In addition to the coaching staff, current Edmonds Community College players will help run the camp and mentor your child throughout the week. This is a great opportunity for your child to learn from some of the top players and coaches. The camp will cover all levels of play from kids just starting out, to kids that are getting ready for their high school season. Both boys and girls are welcome. No matter what level you are at, the Triton Staff will make sure that every camper gains something in the week they spend with us at Edmonds. Our goal is to make our program a community program, and this camp is a great example of that.
