

HIGH SCHOOL COMPLETION

What Subjects do I need to graduate?

All students will need the following:

1. English
2. U.S. History/Government
3. Math
4. Culminating Project

Most students will need the following:

1. Health (3-4 credits)
2. Fine Arts (5 credits)
 - Music
 - Art
 - Theater/Drama
 - Dance

Most students have already completed the following:

1. Science (10 credits)
2. Math (10-15 credits)
3. Other History/Social Studies (5 credits)
4. Occupational Education (5 credits)
5. Physical Education-"P.E." (7 credits)
6. Electives (variable credits)

You will also need an exit test to graduate: SAT / ACT / HSPE

So what subjects do I need to graduate?

We don't know until we see your transcripts... Your classes depend on your transcripts!

*** Bring your official transcripts to MUK 403 ***

If you **do not** bring us your original transcripts and their official English translations within the first month of your first high school quarter, you may **not** graduate on time and as planned.
