

**2009 Visual Arts Scholarship
for Edmonds Community College Arts Program**

The Edmonds Arts Festival Foundation (EAFF) annually provides art scholarships to students enrolled in the Art curriculum of Edmonds Community College.

The Award - The EAFF offers annual tuition grants of up to \$1,500 each. These certificates of award are conditional upon acceptance of the students for the following year in college or university level art curriculum. Upon receipt of enrollment notice, the Edmonds Arts Festival Foundation will forward a check for the amount of the award to the student's tuition account.

Selection Process - A selection panel consisting of Edmonds Community College art instructors and at least one member of the EAFF Scholarship Committee, using established evaluation criteria, will select and recommend applicants to the Scholarship Committee for final approval. Scholarships are subjective and awarded at the sole discretion of the EAFF. Applications may be refused for any reason.
