

GET STARTED TOWARDS A CAREER IN PUBLIC HEALTH

Step 1

EARN YOUR PRE-NURSING ASSOCIATE DEGREE AT EDMONDS COLLEGE

Students in the part-time pre-nursing program at Edmonds College can earn their associates degree in as little as seven quarters. The courses you take count towards your bachelor's degree in public health with pre-nursing specialization at Central Washington University.

Step 2

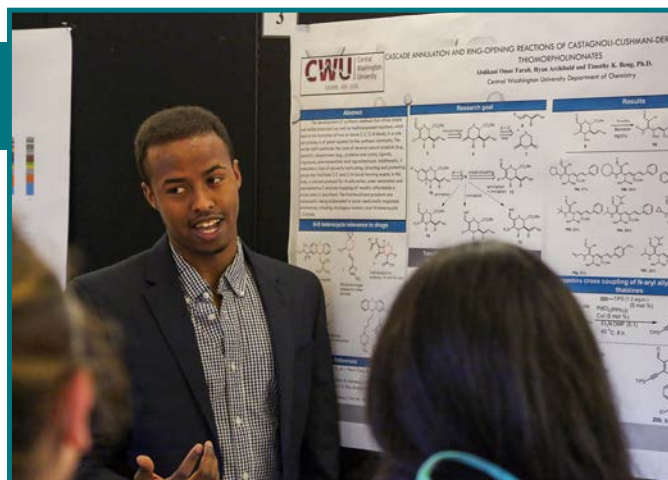

COMPLETE CWU BACHELOR OF SCIENCE IN PUBLIC HEALTH ONLINE PROGRAM

As you work towards your pre-nursing AA at Edmonds College, you also are earning credits towards your BS degree in public health at Central Washington University. CWU advisors are available to help along the way and CWU classes are **ONLINE!**

Step 3

START YOUR CAREER IN PUBLIC HEALTH OR CONTINUE YOUR EDUCATION

Earning your BS in public health with pre-nursing specialization allows you to apply to accelerated nursing programs, master's programs in public health, or work in public health in education, government, epidemiology, and many other job opportunities.
