**STATEMENT OF PURPOSE
 (Type and attach separately)**

The CYFS-BAS is an interdisciplinary program, integrating Early Childhood Education and Social and Human Services, with a foundation in social justice, equity, and inclusion. This writing sample provides an opportunity for the Admissions Committee to learn more about your future goals, and is an important part of the CYFS-BAS application. In an essay of no more than three double-spaced pages, please write a statement of purpose clearly addressing the following two prompts:

1. Understanding that the CYFS-BAS is an interdisciplinary program grounded in social justice, equity, and inclusion, describe how you plan to use this degree to reach your future goals.
2. Explain what you learned from practicum, internship, volunteer, and/or work experiences and how this applies to your professional career.
