Career

NEW! Know Your Numbers: Basic Small Business Finance (C309)

When you hear the words "financial statement" do you run for the hills? Well, come on back and go from hating math to being empowered to grow your business. Understanding your numbers is critical to your business success, and you can learn the secrets of the numbers in our fear-free environment. Learn the basics of financial statements, cash flow, and managing costs. You, too, can learn to use business math to reach your business goals.

Ward, Paula / \$39 – Sat., 8/5, 9a-12p / SQL 204

Home and Hearth

NEW! Bee-friendly Bee! Backyard Beekeeping (C361)

Get the buzz on bees! Learn the basics of beekeeping to start your own honeybee keeping or to broaden your knowledge of our favorite pollinators. We'll open a hive in the College's apiary to see workers, drones, capped honey, pollen, a brood and hopefully a queen! You'll learn how to purchase bees and equipment. Each class will start in the classroom and then move out to the apiary, and in the final class we'll open the hive.

Cox, Kathy / \$129 – 3 Sat., 8/5-8/19, 1p-4p / SQL 204

NEW! How Does Your Garden Grow (C363)

Find out how your own garden is doing when our class visits the gardens of each of the first five people to register. You'll spend time discussing the fabulous, the fine and the (perhaps) failing elements of each garden. Anything amiss in the garden will be addressed with constructive action steps from our instructor, the Department Chair of EdCC's highly respected Horticulture program.

Garden locations are limited to local areas around EdCC.

Brooks, Lorraine / \$175 – 6 Sat., 7/15-8/19, 9:30a-12:30p / Garden visits 10a-12p / SQL 203

Visual Arts

Ceramics Workshop (C403)

Focus on throwing and hand-building projects. All levels. (Clay, glazes and firings included.)

Ridgeway, Judy / \$215 – 7 Tues., 7/11-8/22, 6:30-9p / MDL 116

Ceramics (C405)

Explore hand-building and/or wheel throwing. All levels. NOTE: pre-registration required due to high demand. (Clay, glazes and firings included.)

Neish, Daniel / \$215 – 7 Mon., 7/10-8/21, 1-3:30p / MDL 116

Landscape Painting in Oils (C415)

Have you longed to try your hand at landscape painting? Begin with simple shapes and work up to finished landscapes. Bring some realism into your work. And again this summer, we'll work outside a few nights! All levels. Includes \$6 supply fee

Howe, Philip / \$215 – 7 Mon., 7/10-8/21, 6:30-9p / Artworks

NEW! Master Class in Oil Painting (C447)

Achieve mastery yourself with great tips and tricks offered by a master oil painter. Get the inside scoop on a multitude of techniques. Plus there will be a surprise guest oil painting star. This class will be fun and casual as you learn a lot quickly by doing oil sketches and drawing with paint. \$6 supply fee included.

Howe, Philip / \$95 – Sat., 7/15, 10a-4p / Artworks

Travel Photography: Get Better Shots (C467)

Discover the best images, get tips on great equipment and determine the best reasons to take photos when you travel! One day in class and one in the field. Bring your camera, your favorite travel guide, travel magazine or travel image.

Saber, Leslie / \$95 – Sat. and Sun., 7/15-7/16, 10a-2p / SQL 201

Your Camera: What's That Button For? (C471)

FINALLY! Discover how to get out of your DSLR camera's AUTO mode and into using your camera to its fullest potential. You will learn how to use the manual controls on your digital camera to take phenomenal photos.

Saber, Leslie / \$149 – 4 Thur., 7/13-8/3, 6:30-9:30p / SQL 201

The Art of Photographing Birds (C475)

Do you love birds and photography? Learn about exposure, photography techniques and bird-sighting skills. We will discuss the best equipment, in-the-field ethics, how to "find" the shot and great birding locations. In-classroom learning and an instructor-led outing. All levels.

Ulvestad, Karen / \$85 – Sat., 8/5, 10a-4p / Artworks

NEW! Summer Photography: Beaches and Sunsets (C477)

This summer we offer you help with the dramatic light of a summer sunset as well as a washed-out beach photo. Learn the correct exposure to maximize color as well as techniques to control hot spots and deep shadow. Intensive classroom work on exposure, fill light, light management, HDR, post processing and silhouette will be practiced in assignments.

Ulvestad, Karen / \$79 – 3 Wed., 7/12-7/26, 6:30-8:30p / SQL 204

Writing

The Writer's Craft (C503)

In this course, you'll explore a diverse range of topics designed to help you get that great first sentence and then complement it with each following sentence. Improve your writing skills, cultivate regular writing practices, and tackle the notorious beast known as writer's block to bring out the best writer in you.

DeMoss, Ryan / \$175 – 7 Thur., 7/6-8/17, 6:30-8:30p / SQL 204

NEW! Vision Boards to Enhance Your Writing AND Social Media Presence (C507)

Hey, writers, vision boards can transform your storytelling and spin your writing research into marketing gold. Learn how objects and images help tell your story, then convert that story world into social media fodder, and launch or enhance your online presence long before the book deal. This part-storytelling and part-social media hands on workshop is for writers of all levels. Lots of handouts and worksheets.

Halleck, Mindy / \$39 – Sat., 7/15, 9:30a-12:30p / SQL 204

Language

NEW! Italian for Travelers (C775)

"Bellissimo! Quanto costa?" All aboard for Italy! Learn basic phrases in Italian and get useful tips for travel in Italy. Understand some cultural nuances and get a better insight into Italian culture and customs.

Pantic, Marcia / \$149 – 6 Tues., 7/11-8/15, 7-9p / SQL 204

Summer Camps 2017 Starting July 10!

Lorraine earned an ATA in Horticulture Planting Design from Edmonds Community College as well as a BS in Environmental Horticulture and Urban Forestry and an MS in Forest Resources from the University of Washington. She coordinated the Maui Master Gardener program and worked as an Extension Associate for the Urban Environment Program at Cornell University Cooperative Extension-NYC.

She is currently a full time instructor in the Edmonds Community College Horticulture program.

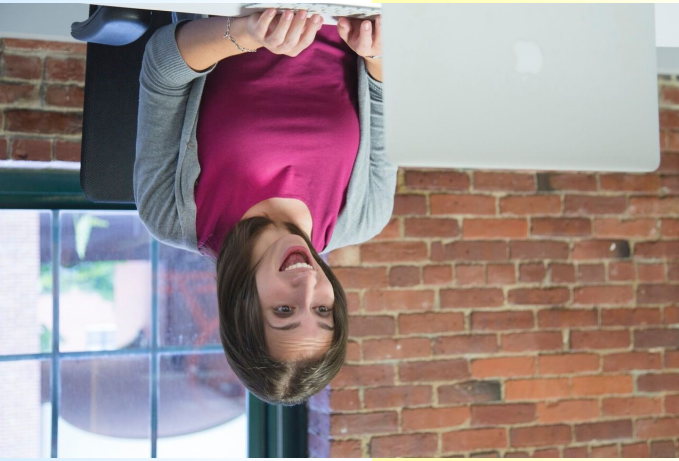

Mindy Halleck is an award-winning fiction author and writing instructor. She urges writers to embrace social media early in their professional endeavors, and skillfully shows them how. With a past career as a Fortune 500 Company Vice President, and sales and marketing trainer, Mindy brings these tools to the writing world. A one-time magazine columnist and travel writer, she is a happily married globe-trotter and three-time cancer survivor, and is currently working on her second novel.
