

The educational program at EdCAP includes a chromebook that will be issued to you/your student for their use at school and home. We are very excited to be able to make these powerful tools available to our students. We also understand that both students and parents are concerned about keeping these tools secure and in good working order.

There is a responsibility to take appropriate care of these valuable resources. This is especially true because we want to continue to be able to have this program available to future EdCAP students. We know that loss and accidents will happen. District policies, regulations and practices require that a fine be levied to cover the repair or replacement. The EdCAP Program will be covering the cost of insurance, and you/your student will be held to the following policy:

**COVERAGE AND BENEFIT:** This program covers the chromebook loaned to the student against all accidental damage, theft, vandalism or loss for one (1) school year. It also includes one (1) ESD District Logo Sleeve and one (1) power cord for one school year. This program does NOT cover intentional misuse, abuse or neglect by any household members. If the student did not exercise proper care and/or take appropriate precautions, and this behavior resulted in damage to or loss of the Equipment, the cost of the repair or replacement will be the responsibility of the student/parent. If the chromebook is accidentally damaged or vandalized, it will be repaired at no cost. **THEFT** - If the chromebook is stolen, the Edmonds School District will require that a police report be submitted. Fraudulent reporting of theft will be turned over to the police for investigation. A student making a false report will also be subject to disciplinary action.

<b>Total replacement cost for the equipment is \$305.00.</b>
