study_abroad@edmonds.edu for more info!

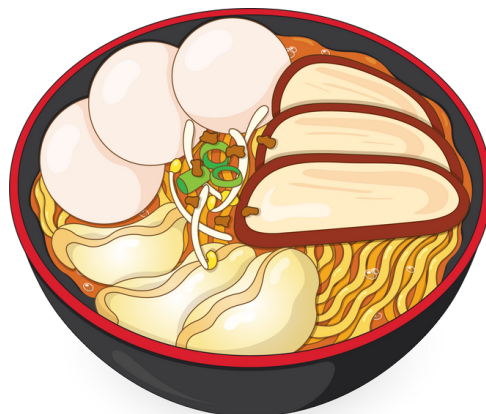

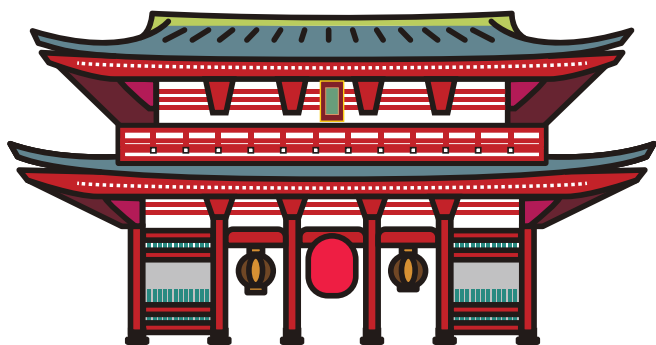

Edmonds College does not discriminate on the basis of race; color; religion; national origin; sex; disability; sexual orientation; age; citizenship, marital, or veteran status; or genetic information in its programs and activities. The nondiscrimination language is available in multiple languages at edmonds.edu/nondiscrimination.

Nagasaki offers a unique opportunity to become completely immersed in Japanese culture and to take your Japanese studies to the next level. In this exchange program, students enroll at the University of Nagasaki and take a semester of tuition-free, transferable Edmonds College credits during Fall and Winter quarters. As a representative of Edmonds College, students qualify for university subsidized housing and also gain the opportunity to attend special events for international students.

In partnership with the University of Nagasaki, specific pre-departure meetings covering topics such as visas and culture shock are designed for accepted Edmonds College students and parents/guardians.

The greatest advantage to this program is the full immersion experience. You will be surrounded by Japanese culture, language, and university life, much more than many study abroad programs.
