Female

46%
Male

(3% did not answer)

28

Average age of graduates

16

Age of YOUNGEST GRADUATE
high school completion

69

Age of OLDEST GRADUATE
Business Management ATA

22%
International students

Dear Graduate:

Congratulations! Due to your hard work and persistence, you have accomplished a big step toward a brighter future. On behalf of our Edmonds Community College Board of Trustees and employees, I wish you success as you continue to pursue excellence in your academic and career goals.

I also encourage you to continue to use campus resources such as the library, the Center for Families child care, and the Wellness Center. The Career Action Center's services may prove especially useful with online job listings, resume critiques, mock interviews, and assistance with finding an internship. Find out more at edcc.edu/careeractioncenter.

Please keep in touch. We want to hear about your future success. You can stay connected in numerous ways:

- Connect with us on LinkedIn and Facebook
- Follow us on Twitter and Instagram
- Share your journey at edcc.edu/yourstory
- Visit edcc.edu/news for up-to-date college news and events.

Join the Edmonds CC Alumni Association to stay connected to the college and your fellow alumni, get discounts at the bookstore, and attend alumni networking events. Learn more at edcc.edu/foundation.

I trust that during your time at Edmonds CC you've developed an appreciation for the value of lifelong learning. Down the road, you may decide to add more job skills, change careers, or develop a personal interest. We'll be here, and I hope that you'll consider returning so we can help you reach your next goals.

Again, congratulations and best wishes as you take your next steps.

Sincerely,
Dr. Amit B. Singh
Edmonds CC President
[@EdmondsCCPrez](https://twitter.com/EdmondsCCPrez)

INSPIRING EXCELLENCE. EVERY DAY.

Our Program

Edmonds Community College Concert Band

“Pomp and Circumstance” by Sir Edward Elgar

Presentation of Honor Guard/National Anthem

Naval Station Everett Honor Guard

Introduction of Guests

Dr. Patrick Averbeck, Commencement Faculty Coordinator,
Mathematics Department

Welcome

Dr. Amit B. Singh, President, Edmonds Community College
Mustapha Samateh, Administrative Liaison, Associated Students
of Edmonds Community College (ASEdCC)

Student Speakers

Felicia Bryan, High School Diploma
Thuong (Valerie) Cung, Associate in Science

Edmonds Community College Concert Band

Directed by Music Instructor Steve Mostovoy
“Pictures at an Exhibition,” by Modest Mussorgsky, arranged by
Michael Sweeney

Presentation of 2019 Graduating Class

Christina Castorena, Vice President for Student Services
Dr. Charlie Crawford, Executive Vice President for Instruction

Conferring of Diplomas

Dr. Tia Benson Tolle, Board of Trustees Chair
Dr. Amit B. Singh, President
Members of the Board of Trustees

Recessional

“Pomp and Circumstance” by Sir Edward Elgar

Reception

View Lounge, Angel of the Winds Arena at Everett

Accreditation

Edmonds Community College is accredited by the Northwest Commission on Colleges and Universities and governed by the Washington State Board for Community and Technical Colleges.

Board of Trustees

Dr. Tia Benson Tolle
Diana Clay
Quentin Powers
Emily Yim
Carl Zapora
Angela Durham – Student Trustee

Commencement Committee and Volunteers

Special thanks to all those who participated in the planning and implementation of this ceremony and to those Edmonds CC employees that made it possible for our students to reach their dreams of graduating from college.

Student Speaker Selection Committee

Each year a student committee gathers nominations and interviews and selects two commencement student speakers. We thank all the nominators, student finalists, and appreciate the hard work of the committee:

Venezia Hartanto
Miriam Iljina
Quynh (Amy) Nguyen
Vionna Susanto
Vanessa Zelenovic

Sign Language Services*

Katrina Jarman
Vikki Royal

*Sign language interpreters are available for the hearing impaired. Look for a sign designating reserved seating or ask an usher for help.

Our Student Speakers

Thuong (Valerie) Cung

Associate in Science

Valerie's college journey began on an airplane three years ago -- during her first plane trip. Her parents had saved for the trip to take her family from the countryside of Vietnam back to her father's home town for a visit.

By chance, Valerie ended up sitting next to an Indian American man who is a retired engineer. Throughout the flight, they talked about her studies and goals, and shared stories about Vietnamese, Indian, and American culture. Within just 15 minutes of landing, the man asked if Valerie would like to study in the U.S. He also offered to cover the cost of tuition.

"It was like a movie," she said. "He's not my relative, and he knew nothing about me, but he believed in my future."

Valerie is the first in her family to go to college and will be graduating with honors. She also credits her parents and their hard work as being her pillar of strength.

Valerie's accomplishments include:

- Honor graduate
- Edmonds CC Foundation scholarship
- International Student Services (ISS) New and Transfer-In High School Student scholarship
- ISS College Merit scholarship
- 2019 Women Empowerment award
- ISS Outstanding Employee award for her work as an activities programmer

In the fall, Valerie will begin her studies at the University of Minnesota where she will pursue degrees in chemical engineering and pharmacy.

Valerie's advice to her fellow graduates: Learn to fail and fail to learn. It's a process, but as long as you do not stop moving forward, you will achieve what you want.

Felicia Bryan

High School Diploma

Felicia's passion for knowledge was sparked at Edmonds CC after finding her way to the college's Edmonds Career Access Program (EdCAP) program in 2016. EdCAP allows students ages 16-21 to earn high school and college credits at no cost on the college campus.

Felicia's plan was to earn her diploma and go straight into the workforce with a "starter" minimum wage job, but that changed after her first quarter. She excelled in her classes and earned her first "A" at Edmonds CC.

In addition to academic success, Felicia was able to connect with her Native American heritage through a college summer program called Tribal Canoe Journey.

The month-long journey pairs students with local tribal members to canoe hundreds of miles together along the Puget Sound coast. "This was the best month of my life," Felicia said. "It was life changing and tested me mentally, physically, and spiritually."

Felicia's accomplishments include: Edmonds CC Canoe Journey participant 2016 and 2017, member of the Edmonds Career Access Program, attendee of the 2019 Students of Color conference, and Edmonds CC International Night opening performer.

With a focus on advocacy and social justice, Felicia plans to continue her studies at Edmonds CC and earn an Associate in Arts Transfer degree after completing fall quarter.

Felicia's advice to her fellow graduates: Never stop when you've hit the ground. If you hit a roadblock or you trip a little, it's not over. The race is still going, and it doesn't end until you cross the line.

AAS-T: Associate in Applied Science-Transfer Degree

CERT: Certificate

Special Recognition

Students who wear a gold honor cord have demonstrated outstanding academic achievement by maintaining at least a 3.8 cumulative grade point average in 100-level classes or higher (up until spring quarter) while earning a degree or certificate at Edmonds Community College.

Members of Phi Theta Kappa, recognized as the official honor society for community colleges by the American Association of Community Colleges, may wear a gold tassel or a gold stole, indicating they have at least a 3.5 grade point average.

Additional Commencement Ornamentation

College departments, programs, or clubs may develop and request approval for a standard recognition symbol or ornament (e.g., pin, tassel, stole) that graduates may wear on their cap or gown during the commencement ceremony.

Graduates who are members of the college's veterans club, the Edmonds Community College Student Veterans Association, will be wearing red, white, and blue cords.

Academic Dress

The academic dress worn by the faculty originates from the Middle Ages, when faculty and students wore caps and gowns to stay warm in cold buildings. The distinctive dress, worn daily in American universities until after the Civil War, served to set the scholars apart from fellow citizens and led to the phrase "town and gown." Such regalia is still worn today by faculty and students in some European universities.

The type of gown and hood distinguishes the wearer by level, academic major, and college or university. The master's gown is made with long, closed sleeves. The doctoral gown has longer sleeves than the master's gown, is faced with black velvet from the hem to the neck and back, and contains velvet chevrons on the sleeves.

The doctoral hood is longer than the master's hood. The colors on the inside of a hood relate to the college or university. For example, the University of Washington's colors are purple and gold and Washington State University's colors are crimson and silver. The color of the velvet on the hood depicts the academic specialization as follows:

- **Brown** – *Architecture and Fine Arts*
- Citron Yellow – *Social Work*
- Dark Blue – *Philosophy*
- Green – *Medicine*
- Lemon Yellow – *Library Service*
- Light Blue – *Education*
- Light Brown – *Business*
- Lilac – *Dentistry*
- Orange – *Pharmacy*
- Peacock Blue – *International Affairs*
- Pink – *Music*
- Purple – *Law*
- Scarlet – *Theology*
- White – *Arts and Letters*
- Yellow – *Science*

Edmonds CC, CWU-Lynnwood celebrate inaugural First-Generation College Student Week

Edmonds CC President Dr. Amit B. Singh and CWU-Lynnwood Regional Director Shane Reeder signed a declaration dedicating the first week of November each year as First-Generation College Student Week.

The declaration acknowledges students who are the first members of their immediate family to embark on a college journey and the path to being a college graduate. Efforts were led by Edmonds CC TRIO Support Services, which is a federally-funded program that provides low-income, first-generation college students and students with disabilities valuable support and services to assist in student success and persistence toward graduation.

edcc.edu/trio

First cohort of Bachelor of Applied Science students graduate

Thirteen graduates will now hold Bachelor of Applied Science (BAS) degrees in Child, Youth, and Family Studies.

This is Edmonds CC's first BAS degree and is unique in its interdisciplinary model with emphasis on family systems, equity, and social justice. It integrates Early Childhood Education and Social and Human Services and was designed for working adults.

New STEM building and residence hall opening in 2020

Edmonds CC is growing! In 2020, we'll be opening a new Science, Engineering, and Technology (SET) building and a second residence hall to meet the needs of our growing campus.

The 70,000-square-foot SET building will be a regional hub for those who want to pursue STEM degrees and will house allied health and nursing, physics, chemistry, engineering, and math classrooms, as well as labs and offices.

Triton Court residence hall will be a multi-story, mixed-use building located on the corner of 68th Ave. W and 200th St. SW at the college's main entrance. It will include close to 200 student beds with combinations of single- and multi-bed room styles. It will also be a campus destination for dining and more.

edcc.edu/SETBuilding | edcc.edu/triton-court

TURNING THE TASSEL

Turning the tassel is the last step in a graduation ceremony. Graduates turn the tassel, fastened to the center of the mortarboard, from right to left to signify their new status.
