

**EDMONDS
COLLEGE**

**53RD ANNUAL
COMMENCEMENT
2020**

Virtual Ceremony

10 a.m. Friday, June 19

edcc.edu/commencement

GRADUATING CLASS OF 2020

2,010

Degrees, diplomas, certificates, and GED[®]s

18

Bachelor of Applied Science degrees awarded

662

Transfer degrees awarded

1,129

Career degrees or certificates awarded

201

GED[®]s or high school diplomas awarded

(1,809 without GED[®] or high school diploma count included)

53%
Female

47%
Male

30

Average age of graduates

18%
International students

15

Age of YOUNGEST GRADUATE
High School Diploma

68

Age of OLDEST GRADUATE
Advanced Paralegal Certificate

Congratulations to our 2020 Graduates!

Dear Graduate:

Congratulations! Due to your hard work and persistence, you have accomplished a big step toward a brighter future. During this time of upheaval, you have shown extraordinary resolve. You've enriched our classrooms, strengthened our Triton community, and proven yourselves as leaders. On behalf of our Edmonds College Board of Trustees and employees, I wish you success as you continue to pursue excellence in your academic and career goals.

I also encourage you to continue to use campus resources such as the Career Action Center. Their services may prove especially useful with online job listings, resume critiques, mock interviews, and assistance with finding an internship. Find out more at edcc.edu/careeractioncenter.

Please keep in touch. We want to hear about your future success. You can stay connected in numerous ways:

- Connect with us on LinkedIn and Facebook
- Follow us on Twitter and Instagram
- Share your journey at edcc.edu/yourstory
- Visit edcc.edu/news for up-to-date college news and events.

Join the Edmonds College Alumni Association to stay connected to the college and your fellow alumni, get discounts at the bookstore, and attend alumni networking events. Learn more at edcc.edu/foundation.

I trust that during your time at Edmonds College you've developed an appreciation for the value of lifelong learning. Down the road, you may decide to add more job skills, change careers, or develop a personal interest. We'll be here, and I hope that you'll consider returning so we can help you reach your next goals. Again, congratulations and best wishes as you take your next steps.

Sincerely, Dr. Amit B. Singh
Edmonds College President

Honors List

Students who wear a gold honor cord have demonstrated outstanding academic achievement by maintaining at least a 3.8 cumulative grade point average in 100-level classes or higher (up until spring quarter) while earning a or certificate at Edmonds College.

Members of Phi Theta Kappa, recognized as the official honor society for community colleges by the American Association of Community Colleges, may wear a gold tassel or a gold stole, indicating they have at least a 3.5 grade point average.

About our college

Accreditation

Edmonds College is accredited by the Northwest Commission on Colleges and Universities and governed by the Washington State Board for Community and Technical Colleges.

Board of Trustees

Dr. Tia Benson Tolle
Adrienne Wagner
Wally Webster II
Emily Yim
Carl Zapora

We are now Edmonds College

We changed our name to Edmonds College on April 13. The new name reflects our addition of four-year degrees. We currently offer one Bachelor of Applied Science (BAS) degree in Child, Youth, and Family Studies, and we'll launch our second in Information Technology – Application Development this fall, with several more in development. Our BAS programs are approved and accredited by the Northwest Commission on Colleges and Universities.

Responding to urgent community health care needs

We responded to the local health care industry's need for personal protective equipment (PPE) by prototyping and manufacturing face shields to protect health care workers during COVID-19. "We are trying to do our small part to meet the urgent needs of our community and its health care workers," said Edmonds College President Dr. Amit B. Singh. "We've responded rapidly and created innovative processes at both our makerspace and aerospace training center to meet this need."

The Washington Aerospace Training and Research (WATR) Center, which is managed by Edmonds College, partnered with a local manufacturer to produce more than 14,600 plastic face shields. Also, the college's makerspace, The Facility Makerspace, developed a face shield that went through informal field tests at two Washington state hospitals.

New residence hall opening fall 2020

Triton Court, our brand new residence hall, will be located right across the street from campus. The building will offer convenient, safe, affordable housing in studio or one-, two-, and three-bedroom apartments. Other amenities include: free parking, fully furnished, Wi-fi, and laundry rooms.

Hazel Miller Foundation donates \$1.5 million to STEM building efforts

The Edmonds College Foundation received its largest donation ever: \$1.5 million from the Hazel Miller Foundation. This generous gift supports our new 70,000-square-foot Science, Technology, Engineering, and Mathematics (STEM) and Nursing building, as well as STEM scholarships, programs, and technology.

STEM and Nursing Building

Opening fall 2020!

TURNING THE TASSEL

Turning the tassel is the last step in a graduation ceremony. Graduates turn the tassel, fastened to the center of the mortarboard, from right to left to signify their new status.
